Chapter 5

SITTING BEFORE A LARGE SCREEN AND USING A MOUSE AND KEYBOARD
I'M ABOUT TO START THE ONLINE MUSIC AMAZING!
BUT BEFORE THAT, LET'S HAVE A BRIEF TALK WHILE WE LISTEN TO SOME CHEERFUL MUSIC!

But if they were characters from a shounen manga, I could point out the differences right away
The same goes with anime, it's easy to tell them apart because everything's in color.
Say...
How does it look?
I mean the person you can see.
Oh, she's a...
Girl from another class.
SHOCKED!
A... g-girl?
What's her name?!
Huh...? Oh, her name is Endou Tomose...
YAP
Is she cute?
Is she cuter than the girl from the chocolate commercial?!
YAP
Hmm... maybe? I don't know.
Who the heck is that?
Then, is she cuter than the girl from the detergent commercial?!
No... I don't even know what their faces look like...
No way...!
Is she cuter than me?!
Sis... are you cute?
Micchan... did you...
Fall in love with her?!
? ?
What? But I just met her today...
You can see her face, right? So maybe you fell for her at first sight!
Did you felt a throbbing?
......
!?
Hmm...
Now that you mention it, I'm not sure...
A throbbing? Maybe when she kicked me...
What if your illness can only be cured with love?
TEE-HEE
Are you stupid?
You read too much manga
This is an illness not a curse, you know?
Still- I'm curious! I want to see what kind of girl she is!
PILUN~
!
Oh, right! Dunbox's going to stream today!
Woot! I'm so excited!
But before that, let's have a brief talk...
While we listen to some cheerful music!
By the way, Dunbox is now a high school student...
What! Really?
So I think he won't be able to stream very often...
If so, that'll make me very sad...
Yeah, I know what you mean, but...
The tests are about to start...
GASP!
I need to write down the new schedule!!
Today, I had a very terrifying experience
I bumped into the most dangerous guy of my school in the hallway
I seriously thought my head had cracked!
